

MATCH COMMITTEE

The Match Committee was formed in 2006 by a group of incredibly loyal and passionate members, who joined forces to raise funds and help drive the club's growth on and off the field.

This group of the Kangaroos' most devoted members remains vital to our sustainability. It ensures the football club can achieve its strategic goals, whilst providing members a strong connection with our coaching team and an insight in to the strategy and game plan..

As Alastair Clarkson takes full control of an exciting young playing list the club's prospects have never been brighter. Join the Match Committee and be part of the true inner-sanctum at North Melbourne.
