

From the Coach

The Match Committee was formed in 2006 by a group of incredibly loyal and passionate members, who joined forces to raise funds and help drive the club's growth on and off the field.

This group plays such an important role in ensuring the football club can achieve its strategic goals and these devoted members remain vital to the club's sustainability.

As a member of this group, you are connected directly to our coaching team, where we provide you with insights into the gameplan and our overall football strategy.

Our young playing list is as exciting as any in the League, we have built stability around our football program, and I am confident our prospects have never been brighter.

As a club we are hungry for success and excited for the journey ahead.

Join the Match Committee and become part of the inner sanctum at North Melbourne.
