MATCH COMMITTEE

NORTH MELBOURNE

FROM THE COACH

Since 2006, the Match Committee has brought together members committed to helping North Melbourne achieve long-term growth and success on and off the field.

Building a competitive and sustainable football program requires high standards, authentic collaboration, and a clear vision. As part of the Match Committee, you gain direct access to our coaching staff and a behind-the-scenes look into our strategic direction, gameday preparation, and list progress.

I am proud to lead this group as we continue to push our program forward and pursue sustained success for our football club.

Join the Match Committee today and become an integral part of our journey at Arden Street.
